

## What our employees have to say... The Voice of our Employees

### *Waterway, Chicago*

**Rogelio Bugarin**

**27 Years**

**Blend Plant Operator (Waterway)**

I believe Innophos is the best place to work because the Company cares about its employees and has very good benefits, especially for retirement.

I have always had very good bosses and great co-workers to work with; everybody is pleasant. I believe Innophos is a good employer.
