BSE / TSE Statement

To Whom It May Concern:

Please be advised that Innophos' Inorganic phosphate products do not contain animal derived materials in either their raw materials, processing aids or in the process used in their manufacture. In addition, these products do not come in direct contact with animal products during storage or transportation. Therefore our Inorganic phosphate products cannot be a source of Bovine Spongiform Encephalitis (BSE) or Transmissible Spongiform Encephalitis (TSE).
