TO WHOM IT MAY CONCERN:

Please be advised that Innophos has adopted the following General Format for Lot Code Identification on Innophos' Product and it is as follows:

Lot XXXXXX YYY, where XXXXXX is a numeric six digit lot number and YYY is the sequential three digit pallet number within the lot. This identification appears on individual pallet labels

The Certificate of Analysis which accompanies each lot in the shipment contains the manufacturing date and the retest (shelf life) date. The lot number on COA's is six digits XXXXXX, followed by a pallet range of 6 digits YYYYYY: the first 3 digits are the first pallet in the lot and the next 3 digits are the last pallet in the lot.
