

ADVANTRA Z[®]

Bitter Orange Extract

Helps to promote thermogenesis during exercise*

Value

For Manufacturers

- Clinically studied
- GRAS status
- Two-year shelf life
- Not genetically modified through the use of modern biotechnology

For Consumers

- Trusted brand
- Comprehensive safety profile
- Gluten free

Clinically Studied Advantra Z[®] *Citris aurantium* Extract

▶ In clinical trial research, p-synephrine, the primary bioactive in Advantra Z[®] extract, significantly **increased thermogenesis** in subjects performing a resistance training test.[†]

▶ Extracts of bitter orange (from which Advantra Z[®] extract is derived) as well as p-synephrine have traditionally been used in the **sports performance and energy** categories.*

▶ Harvest of bitter orange fruits at an optimal stage results in Advantra Z[®] extract possessing **exceptional quality and high bioactive content**.
